III. Previous Plans:

- #6842 Nantucket Westmoor Farms, LLC, 6 & 8 Westmoor Farms Road, *Covenant & Restriction Agreement discussion* **Continued from 09-12-16**
- #57-15 Ryan Conway, 21 Ticcoma Way, *clarification of Tertiary Dwelling square footage*
Staff has received a letter from the design firm who designed the Tertiary Dwelling at 21 Ticcoma Way. The dwelling was erroneously calculated by using the gross livable area of the dwelling rather than the overall gross ground cover of the dwelling. This includes an additional 184 square feet to the Tertiary Dwelling that was approved via Special Permit by the Board on December 14, 2015. The Board waived 130 square foot increase (when the maximum allowed under the Zoning Bylaw was 550 square feet) for a total of 680 square feet. However, the Zoning Bylaw changed at 2016 ATM to allow 650 square foot Tertiary Dwellings. Therefore, the request of an 864 square foot Tertiary Dwelling is an increase of 214 square feet. Since the structure is now existing, staff believes the (864 – 650 = 214) square feet would not be substantially more detrimental than the 650 square feet allowed by right under the Zoning Bylaw. Staff recommends approval of the clarification/modification.
- #13-16 Irina Dalgaard – Yummy’s, 65 Surfside Road, *post season follow-up meeting to discuss hours of operation*
The Owner/Applicant has submitted a written follow-up to the Board, as required in her April 11, 2016 Special Permit (File #13-16) which extended the hours of operation until 8:30 PM during the summer. Staff informed the Owner/Applicant that the Board may have questions at the meeting.
- #12-15 Emporium (MCD), 54 Old South Road, *Authorization to sign off a Certificate of Occupancy*
The Owner/Applicant is asking for a Certificate of Occupancy for a structure within the MCD, however there has been no as-built done at this time.
- #6986 Catchalot Subdivision, *partial release of escrow*
The Owner/Applicant is asking for a partial release of escrow for this subdivision.
- #7786 Vinecliff Subdivision, *partial release of escrow*
At the April 11th Planning Board meeting, the Project Engineer asked the Board to hold money for the completion of the roadway construction for this subdivision. The Project Manager for Vinecliff LLC is now requesting for a partial payment of the work completed so far. Mr. Ed Pesce, PE is satisfied with the work so far.
- #7904 Newtown Court Subdivision, *Form J (Lot C-2 on Plan 2016-65)*
The Owner /Applicant is asking for a release of lot C-2, however staff has not received confirmation that the Covenant with the Nantucket Housing Authority has been recorded for this

lot. The only covenant on file (BK 1556 PG 275) with the Registry of Deeds is for the other covenant lot (Lot A-2). Staff recommends holding this request until we receive confirmation.
