Enclosed please find three (3) copies of supplemental information to the Report entitled "Comprehensive Wastewater Management Plan and Final Environmental Impact Report Phase III (Phase III Report), which was filed March 31, 2004 and received a MEPA Certificate on May 14, 2004. This supplemental filing contains information that was either requested by commenters or data received after the March 31, 2004 CWMP/FEIR filing. Enclosed please find the following:

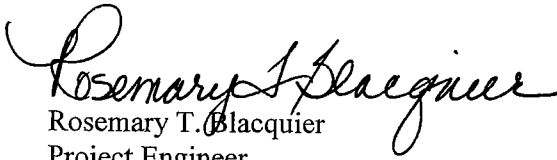

- Sample scenarios of individual costing information for each Study Areas - monthly and yearly
- Copies of approved Town Meeting Articles (April 2004) for (1) Sewer Districts; (2) Preliminary Design Report for Surfside WWTF; and (3) Infiltration and Inflow Studies.
- Supplemental information requested by Coastal Zone Management
- Proposal for supplemental studies at Surfside WWTF conforming to The Natural Heritage & Endangered Species Program (NHESP) request.

This supplemental information has been provided to all parties on the distribution list in Section 7 of the Phase III Report. In addition, it has been included in the six (6) Depositories for public review located in the Selectmen and Town Clerk's Offices in the Town Hall, Department of Public Works, Nantucket Land Council, Nantucket Planning and Economic Development Commission and at the Athenaeum (Public Library). The complete CWMP/EIR Report, as well as all supplemental information, can also be accessed at the Town's website at www.nantucket-ma.gov.

A Public Hearing for the Phase III CWMP/FEIR is scheduled for Tuesday, July 27, 2004. Advertisements for the Public Hearing began in the local papers on June 13, 2004 and notices have been posted in various Town buildings.

If you have questions regarding this project, please contact the undersigned at 978-371-4142.

Very truly yours,
Earth Tech, Inc.

FINANCE COMMITTEE MOTION: Moved that Chapter 41 (Board of Sewer Commissioners) of the Code of the Town of Nantucket, is hereby amended as follows (*NOTE: new language is shown as highlighted text; language to be deleted is shown by strikeout; these methods to denote changes are not meant to become part of the final text*):

Add a new Section 41-3, as follows:

§ 41-3. Sewer Districts.

The Board of Sewer Commissioners is authorized to layout, construct, maintain and operate a system or systems of common sewers and main drains in public or private ways for a part of the Town as set forth below for the public convenience or the public health with such connections and other works as may be required for a system or systems of sewerage or drainage and sewage treatment and disposal within the sewer districts set forth below. Such works for sewage treatment and disposal may include any wastewater treatment facility for treating, neutralizing or stabilizing sewage including treatment or disposal plants; the necessary intercepting, outfall and outlet sewers, pumping stations integral to such facilities; and equipment and appurtenances related to the foregoing. For the purposes of this chapter the word "sewage" shall mean wastewater from homes, public buildings, commercial or industrial establishments, or any combination thereof, and shall include any surface or ground water that may be present therein.

The following systems of common sewers and main drains are hereby designated:

- a. *Town Sewer District - an area outlined in blue on a map entitled, "Comprehensive Wastewater Management Plan, (Proposed) TOWN SEWER DISTRICT", with a summer average daily flow capacity of 2,800,000 mgd, dated March 2004, (on file in the office of the Board of Selectmen) within which all sewage shall be collected, transported to, treated by and disposed from the Surfside Wastewater Treatment Facility;*
- b. *Siasconset Sewer District - an area outlined in blue on a map entitled, "Comprehensive Wastewater Management Plan, (Proposed) SIASCONSET SEWER DISTRICT", with a summer average daily flow capacity of 220,000 mgd, dated March 2004, (on file in the office of the Board of Selectmen) within which all sewage shall be collected,*

transported to, treated by and disposed from the Siasconset Wastewater Treatment Facility.

And,

That Chapter 120 (Sewers and Wastewater Facilities) of the Code of the Town of Nantucket, is hereby amended as follows (NOTE: new language is shown as highlighted text; language to be deleted is shown by strikeout; these methods to denote changes are not meant to become part of the final text):

§120-1. Payment for use of drains and sewers.

A person who enters his/her particular drain onto a main drain or common sewer, or who by more remote means receives benefit thereby for draining his/her land or buildings, shall pay to the Town a proportional part of the charge of making and repairing the same, and of the *sewer privilege* charges, not already assessed, of making and repairing other main drains and common sewers and *sewage treatment facilities* through which the same discharges and/or ~~of the permanent privilege for entering said main drain or common sewer~~, which shall be ascertained, assessed and certified by the Board of Selectmen acting as the Board of Public works pursuant to the authority of MGL c. 83, §15, Chapter 169 of the Acts of 1965 as amended by Chapter 459 of the Acts of 1987, or any other applicable law.

§120-6. *Sewer privilege.*

Permanent sewer privilege charges shall be made upon owners of land within the part or whole of the Town of Nantucket on parcels which are or could be serviced by a main drain or common sewer to recover the cost of improving main drains, common sewers and sewage treatment facilities and upon owners of land entering his/her particular drain into a main drain or common sewer at the time of connection not assessable under Section 120-2. Said charges shall be levied in the manner prescribed in Section 120-5.

FINANCE COMMITTEE COMMENT: *The maps referenced in the Finance Committee motion are subject to final review and approval by the Board of Selectmen prior to Town Meeting.*

Dear Mr. Callahan:

As per our phone conversation, you had several additional requests to supplement the CWMP/FEIR:

- 1) Requested a copy of the emergency erosion control plan for Siasconset WWTF
- 2) Requested copies of the April 12, 2004 town Meeting Articles passed on Sewer Districts.

As of today's date, I faxed the Siasconset WWTF Permit to your office, which contains the emergency erosion control plan. As I explained in my phone message, I am still waiting for the information from the April 12, 2004 Town Meeting and copies of the maps that were approved and accepted. I have spoken directly to the Town Clerk and hope to have them on Monday, May 10th.

I am attaching a copy of the pages of the Siasconset Permit information here for your information as well.

I trust this information will suffice to your requests. Please do not hesitate to call me with any additional questions/concerns.

Very truly yours,

RE: NANTUCKET -- Siasconset
Groundwater Discharge Permit
No. SE #1-201

Dear Mr. Soverino:

In response to the town's application for a permit to discharge into the ground a treated effluent from a proposed wastewater treatment facility to leaching beds located off Low Beach Road, in the Siasconset Section of Nantucket, Massachusetts and after due public notice, I hereby issue the attached final permit.

There were no comments regarding the issuance or terms of the permit during the public comment period. Therefore, in accordance with 314 CMR 2.08, the permit becomes effective upon issuance.

Parties aggrieved by the issuance of this permit are hereby advised of their right to request an Adjudicatory Hearing under the provisions of Chapter 30A of the Massachusetts General Laws and 314 CMR 1.00, Rules for the Conduct of Adjudicatory Proceedings. Unless the person requesting the Adjudicatory Hearing is granted a stay of the terms and conditions of the permit, the permit shall remain fully effective.

If you should have any questions regarding this matter, please contact Frank Mezzacappa at 508- 946-2723.

Very truly yours,

David DeLorenzo, Deputy Regional Director

* (USEPA Method #624)

- (4) Any grab sample or composite sample required to be taken less frequently than daily shall be taken during the period of Monday through Friday inclusive. Grab samples shall be taken between 8:00 a.m. and 6:00 p.m. All samples shall be taken over the operating day.

The permittee shall submit all reports on an acceptable form, properly filled and signed. The report shall be submitted within the first fifteen days of the reporting month, beginning thirty days after the issuance of this permit, to the Bureau of Resource Protection, Watershed Chief, Department of Environmental Protection, SERO, 20 Riverside Drive, Lakeville, MA 02347, and to the Watershed Permitting Program, Department of Environmental Protection, One Winter Street, Boston, MA 02108, and to the Town of Nantucket, Board of Health, 37 Washington Street, Nantucket, MA 02554.

C. Supplemental Conditions

1. Within 15 days of the issuance of this permit, a permanent monument shall be surveyed into place at a perpendicular angle to the existing leaching beds. The monument shall be placed one hundred feet (100') from that portion of the fence surrounding the Siasconset leaching beds, which is located closest to the ocean. The town shall inspect the monument on a monthly basis unless a significant storm event occurs. In the event of a significant storm event, the town shall inspect the monument within 24 hours following the storm. A significant storm event is a storm of ten year magnitude or greater.
