

**THE SALTMARSH
SENIOR CENTER**

Update on Airconditioner

**Donations
gratefully
accepted**

The Nantucket Center for Elder Affairs, Inc. is the non-profit corporation that has the responsibility to manage and maintain the Saltmarsh Center building and to plan for its future.

Should you be interested in volunteering and sharing your leadership as a board member or volunteer, please see our Director Linda Roberts.

As you may know our central air-conditioning unit seized and needs to be replaced. It has served us well since 1996. Homer Ray of Homer Ray Refrigeration & Cooling will return to install the new unit just as soon as it arrives. The estimated cost of the replacement parts is \$3,500 plus shipping and handling. This does not include the labor or the possible need to build a new platform for the exterior portion of the unit. The Nantucket Center for Elder Affairs, Inc. has authorized us to proceed with replacing this unit and will pay for the costs incurred.

Donations may be made to support the replacement of the unit or the Saltmarsh Center programs and on-going building maintenance through our non-profit corporation: Nantucket Center for Elder Affairs, Inc which is a 501 3 (c) Massachusetts Charitable organization.
