

Final Notice to all Abutters:

Re: Paving of Vesper Lane and Fairground Road.

Sometimes in May of 2008, weather permitting, the Town of Nantucket Department of Public Works anticipates the final Pavement of Vesper Lane and Fairground Road.

All property owners abutting the above roads are requested to please contact the Department of Public Works if you are planning any work within the Town Right Of Way. (such as sewer, water, utility connections which work necessitate opening the road). Any such contemplated work must be completed prior to scheduled paving.

In accordance with Street Opening regulations adopted by the Board of Selectmen Last summer, excavations (excluding those that constitute an emergency as defined by the regulations) within newly paved roads are prohibited for three (3) years following the date of paving.

If you have any questions, please call the DPW at 508-228-7244/5
