## **Public Comment procedures for HSAB**

### **Robert's Rules of Order**

The Harbor & Shellfish Advisory Board follows Robert's Rules of Order to govern its meetings as per the Town Code and Charter.

### **Quorum**

If there is not quorum of members present, or if the meeting posting is not in compliance with the Commonwealth of Massachusetts' Open Meeting Law, no meeting will be held. For more information on the Open Meeting Law, please visit the Attorney General's website at [www.mass.gov/ago/government-resources/open-meeting-law/](http://www.mass.gov/ago/government-resources/open-meeting-law/)

### **Public Participation**

The Harbor & Shellfish Advisory Board welcomes the always valuable input from the public during the discussion of agenda items at appropriate times during the meeting with recognition by the chair. For discussions of agenda items, the chair will introduce the item, take comments and questions from the board and staff, and then lastly, decide if it will take public input. Board members may then have questions on the clarity of information presented thus far. The HSAB will then hear any further staff input and then deliberate on a course of action before taking a vote.

### **Specific Public Comment**

The Harbor & Shellfish Advisory Board provides two public comment opportunities on its agenda, one for issues related the Marine and Natural Resources Departments, and one at the end of the meeting for all other issues. These Public Comment periods are not to be used to present charges or complaints against any specifically named individual, public or private; instead, all such charges or complaints should be presented in writing to the Harbormaster and/or the Natural Resources Director who can then give notice and an opportunity to be heard to the named individual as per MGL Ch. 39, s 23B, if applicable.

### **Proper Public Comment Protocol**

The Harbor & Shellfish Advisory Board welcomes concise statements on matters that are within its purview. However, under the state's Open Meeting Law, HSAB is not required to allow public comment and participation during its meetings. Rather, public comment is a privilege the HSAB affords those who attend its meetings. As such, HSAB expects the utmost level of civility and adherence to its public commenting/participation procedures outlined herein. To wit, any speaking without being recognized by the chair, personal remarks, attacks, shouting or cross-talk will not be tolerated. Those who wish to speak during the public comment period or on a specific item must do so by raising their hand to be recognized by the chair. As exceedingly long comments are not appropriate, generally, two to three minutes is sufficient to get your thoughts into the record. When recognized by the chair, please state your name and any organization(s) or individual(s) you may represent. And in the interest of time, if your position has already been stated, please say so and then affirm your position.
