Subject: RE: 110 Wauwinet Road gate question

Hi Cathy,

The gate is about 20' off the road, intended to be in line with the vegetation that blocks the property from the road. There are a number of driveway gates along Wauwinet Rd. and Polpis Rd. The gate is intended to be open when the house is being used but closed in the off season. The home owner gets a lot of trespassers in the offseason. Let me know if you have any other questions.

Thanks,

Hi,

How far back is the gate off the street and are there any other gates in the area?
