Dear Commissioners:

On behalf of the applicant Nantucket Surveyors LLC is writing to request to be placed on the agenda for the February 18th Board meeting to discuss the prior denial of a variance application for the placement of a septic tank on the subject property. Specifically we would like to discuss an alternative to relocation of the tank after discussion of the specific case with the Wastewater Management Division of the Department of Environmental Protection.

Thank you for your attention to this matter.

Sincerely,
Nantucket Surveyors, LLC
