Chair, Planning Board

Dear Mr. Chairman:

On behalf of Somerset Nominee Trust, I am respectfully requesting to extend the deadline for submission of the elements of the Homeowners Association plan on the Definitive Subdivision Plan, 14 Somerset Road (Bittersweet Lane) Planning Board File #8293, which was approved January 19, 2019.

My brother Jim, the other trustee, has been stationed in the Middle East for most of the last year and the previous year, and stuck there for over 500 days, due to Covid travel restrictions, which has made it very difficult to work on the elements of the Homeowners Association that we are putting in place.

In addition, it has been difficult, due to Covid, to get the attention of surveyors to work on this.

I appreciate any and all consideration on this request to extend the deadline.

Sincerely,

A handwritten signature in black ink, appearing to read "Marianne Stanton", written over a light blue horizontal line.
