- A. "Short-Term Rental" shall mean a dwelling unit or portion(s) thereof that is not a transient residential facility, where: (i) at least 1 room or dwelling unit is rented to an occupant or sub-occupant; and (ii) all accommodations are reserved in advance. Rental periods with a change in occupancy in excess of 31 calendar days shall not be considered a Short-Term Rental. The rental of property for a total of 14 days or less in any calendar year shall not be considered a Short-Term Rental.
- B. "Operator" shall mean a person operating a Short-Term Rental including, but not limited to, the owner or proprietor of such premises, the lessee, sublessee, mortgagee in possession, licensee or any other person otherwise operating such Short-Term Rental. It is the intent of this bylaw that the Operator shall have the same meaning as set forth in General Laws c, 64G, §1.
- C. "Transient Residential Facility" shall have the same meaning as in Chapter 139 of the Town Code.

§ 123-3. Registration, Permitting, Inspection and Fees.

- A. No person shall operate a Short-Term Rental without having first obtained a Certificate of Registration from the Board of Health. An application for a Certificate of Registration shall be on a form provided by the Town and shall contain the Department of Revenue identification number or proof of exemption under G.L. c. 64G. The Operator shall provide with the application a certificate of registration issued by the Department of Revenue in accordance with section 67 of Chapter 62C of the General Laws.
- B. The annual fee for such Certificate of Registration shall be set forth in the regulations issued pursuant to § 123-4.
- C. The application for the Certificate of Registration shall include an attestation that the Owner and/or Operator is in compliance with all applicable federal, state and local laws, including but not limited to G.L. c. 64G and the Fair Housing Act, G.L. c. 151B and local equivalents and regulations related thereto, and all other regulations applicable to residential dwellings, and that the Owner and/or Operator of the property is current with all town taxes, water, and sewage charges and other fees, subject to the requirements of Chapter 19, §§ 13 -18 of the Town Code. Any property offered for a Short-Term Rental shall not have any outstanding building, sanitary, zoning, or fire code violations, orders of abatement, or stop work orders. Nothing contained herein shall relieve the Owner or Operator from complying with all local permits, rules and regulations issued by the Board of Health and other Town boards generally applicable to resident dwelling units.
- D. The Board of Health shall not issue any Certificate of Registration unless the Operator has (1) submitted a complete application and paid all associated fees; (2) provided contact information for the Operator and persons designated to address any issues at the Short-Term Rental within two (2) hours' notice; and (3) provided the Town

with a certificate of insurance evidencing liability insurance coverage for the Short-Term Rental in an amount to be determined by the regulations issued pursuant to §123-4.

E. Operators are subject to inspection of the Short-Term Rental by the Board of Health upon reasonable notice via consent or administrative warrant, or without such notice in the event of an imminent threat to public health or safety.

F. Certificates of Registration are valid for one year and may be renewed at the discretion of the Town, provided that the Operator has complied with the provisions of this Chapter and any associated regulations during the preceding year. An application for renewal of a Certificate of Registration shall be submitted along with the annual fee no later than November 1st of the next year.

G. The Certificate of Registration is issued to the Operator and does not run with the land. If the Short-Term Rental is sold or transferred out of ownership, a new application for a Certificate of Registration shall be filed by the new Operator before Short-Term Rentals can continue or resume.

§ 123-4. Regulations.

The Board of Health, subject to the approval of the Select Board, shall promulgate regulations to carry out and enforce the provisions of this Chapter. Such regulations may also include but are not limited to requirements to insure that the operation of the Short-Term Rental does create or cause a nuisance to the surrounding neighborhood due to unreasonable noise, overburdening of parking areas, and other nuisance conditions.

§ 123-5. Enforcement.

A. Whoever violates any provision of this bylaw or a regulation promulgated hereunder may be penalized by indictment or on complaint brought in the district court. The Town may seek to enjoin violations thereof through any lawful process, and the election of one remedy by the Town shall not preclude enforcement through any other lawful means.

B. Whoever violates any provision of this bylaw or a regulation promulgated hereunder may be penalized by a noncriminal disposition process as provided in Massachusetts General Laws, Chapter 40, section 21D and the Town's non-criminal disposition by-law (Chapter 1 of the Town Code). If non-criminal disposition is elected, then any person who violates any provision of this bylaw or regulation shall be subject to a penalty in the amount of one hundred dollars (\$100) for the first offense; two hundred dollars (\$200) for the second offense; and three hundred dollars (\$300) for a third and subsequent offense. Each day or portion thereof shall constitute a separate offense. The Board of Health or its agent, or any police officer of the Town, shall be the enforcing authority.

C. If a notice of violation of this bylaw or any regulation promulgated hereunder or other order is issued to the Operator or the owner of the property by the Board of Health or its designee, after a Certificate of Registration is issued, the Board of Health, after a hearing, may suspend for a period of time determined by the Board of Health or revoke said Certificate of Registration until the violation has been cured or otherwise resolved. Multiple violations by any Operator may, at the discretion of the Board of Health and after a hearing, disqualify that Operator from obtaining a Certificate of Registration for a period of up to three years.

D. In accordance with G.L. c. 64G, §14(v), the Town may assess a civil penalty not to exceed \$5,000 for any violation of this bylaw or a regulation issued hereunder. Each day a violation continues shall be considered a separate offense.

§ 123-6. Severability.

If any provision in this Chapter shall be held to be invalid by a court of competent jurisdiction, then such provision shall be considered separately and apart from the remaining provisions, which shall remain in full force and effect.

§ 123-7. Effective date.

The provisions of this Chapter shall take effect on the day this bylaw becomes effective pursuant to General Laws Chapter 40, §21, or January 1, 2023, whichever is later.

Or take any other action relative thereto.

ARTICLE 43
(Zoning Bylaw Amendment: Protective Rights to Short-Term Rentals)

PREAMBLE:

Tourism has been a pillar of the Nantucket economy for decades. Generations of Nantucket families have made or supplemented their incomes by welcoming and serving visitors in many ways, including renting their homes. However, a recent Massachusetts Supreme Judicial Court decision (*Styller v. Lynnfield*) threatens the ability of Nantucket residents to rent their homes on a short-term basis (stays of less than 30 days). In the *Styller* decision, the state's highest court ruled that zoning bylaws, such as Nantucket's, do not allow short-term rentals in residential zoning areas.

In order to address the impact of the *Styller* decision, this zoning article clearly defines and protects residents' rights to short-term rent their homes. It ensures that Nantucket residents can continue to short-term rent their own property even in residential zoning areas. This article also clearly allows for seasonal residents to short-term rent, while discouraging the conversion of neighborhood homes into purely commercial short-term rental businesses by off-island corporate investors. This article only applies to short-term stays - any rental of one month or longer is not affected.

The purpose of this article is to protect Nantucket homeowners, while also seeking to protect our neighborhoods and housing. We can do that by helping to manage and sustain economic growth and honor our tourism tradition by preserving our community's character.

ARTICLE:

To see if the Town will vote to amend the Zoning Bylaws by amending Chapter 139 as follows, and further to authorize the Town Clerk to make non-substantive, ministerial revisions to the numbering of this bylaw in order that it be in compliance with the numbering format of the Code of the Town of Nantucket; or to take any other action relative thereto.

§139-2 DEFINITIONS AND WORD USAGE

SHORT TERM RENTAL

Any rental of a residential dwelling unit, or of a bedroom within a dwelling unit, in exchange for payment, as residential accommodations for a duration of less than thirty (30) consecutive days.

§139-15 ACCESSORY USES

In addition to the principal buildings, structures and uses permitted in a district, there shall be allowed in that district as accessory uses, such activities as are subordinate and customarily incident to such permitted uses.

Short-Term Rentals shall be permitted as Accessory Uses in all residential districts (R-1, SR-1, ROH, SOH, R-5, R-5L, R-10, R-10L, SR-10, R-20, SR-20, R-40, VR, LUG-1, LUG-2, LUG-3, MMD) as follows: (1) Residents may use their primary residence for Short-Term Rentals by right; and (2) as of January 1, 2023, non-Residents may use their dwelling units for Short-Term Rentals upon issuance of a Special Permit from the Zoning Board of Appeals upon a finding that the proposed Short-Term Rental is an Accessory Use as defined in this Bylaw. As of January 1, 2023, all other use of Short-Term Rentals in residential districts is prohibited. For the purposes of this provision, a "Resident" is a person whose primary residence is Nantucket as determined by federal tax filings.

1. Amend Section 2A by adding the following new definition, in alphabetical order with existing definitions:

TERTIARY LOT

A lot created by the division of the original lot into three lots pursuant to § 139-8C. The tertiary lot, in addition to one of the secondary lots, shall be subject to an NHNC-Ownership Form, or shall be owner-occupied by a qualified family member, in which case the lot shall be subject to the NHNC-Ownership Form, except for the established income and asset limits, or shall be subject to a qualified family member deed restriction.

2. Amend Section 8 by adding a new subsection D, below, and by re-lettering the existing subsections D and E, to E and F, respectively:

D. Special permit to create tertiary residential lots for year-round residents.

- (1) Purpose: to create, make available and maintain housing that is affordable to those who earn at or below 150% of the Nantucket County median household income; to help households to continue to reside on Nantucket; to generate and preserve affordable housing in the Town of Nantucket in perpetuity, all in order to maintain Nantucket's diversity and unique sense of community.
- (2) Tertiary lots may be permitted in the following districts: R-40, LUG-1, LUG-2, and LUG-3.
- (3) As authorized by MGL c. 40A, § 9, Paragraph 2, the Planning Board, acting as the special permit granting authority, may issue a special permit authorizing the division of a lot into up to three lots,

provided the following requirements and/or conditions shall apply:

- (a) The original lot shall not be subject to any covenants, restrictions or similar encumbrances, whether appearing in a deed, easement, land-use permit or any other instrument, pertaining to the prohibition of more than one dwelling unit on the original lot.
- (b) The tertiary lot, in addition to one of the secondary lots subject to § 139-8C of this chapter, shall be subject to an NHNC-Ownership Form, which shall provide, without limitation, that the owner of that lot shall earn at or below 150% of the Nantucket County median household income, or the lot shall be subject to a qualified family member deed restriction. Tertiary lots held sold, transferred, or gifted to any qualified family member(s) shall not be subject to the income and asset limits for eligible households. Upon resale, transfer, or gift of the tertiary lot to a nonqualified family member, the lot shall be subject to an NHNC-Ownership Form, and all requirements set forth therein, including income and asset limits for eligible households.
- (c) The lot shall not be subject to the tertiary dwelling requirements contained within §139-2 of this chapter.
- (d) The lot area for the tertiary lot shall be a minimum of 20,000 square feet. This requirement may be waived through the issuance of a special permit by the Planning Board.
- (e) The lots shall comply with the ground cover ratio, front setback, and side and rear setback requirements of the underlying zoning district, including any provisions of this chapter for pre-existing nonconforming lots, except as follows:
 - [1] The Planning Board may waive by the issuance of a special permit the setback requirements only as they apply to the lot line(s) between the secondary and tertiary lots;
 - [2] The Planning Board may waive by the issuance of a special permit the ground cover ratio requirement for the tertiary lot, provided that the total ground cover

ratio of the secondary lots and the tertiary lot does not exceed the amount that would have been allowed for the original lot;

(g) The lots each must have a minimum of 20 feet of frontage or an easement of sufficient width and grade to provide access.

(h) The lots shall share a single driveway access. The Planning Board must be provided with an instrument, in recordable form, evidencing the common access rights to said access in accordance with this subsection. The Planning Board may grant a special permit to waive the requirement for shared driveway access based upon a finding that separate driveway access would not have a significant and adverse effect on the scenic or historic integrity of the neighborhood and is not contrary to sound traffic or safety considerations.

(4) This § 139-8C shall not apply to flex development and open space residential development options (§ 139-8A).

ACCESSORY DWELLING

A dwelling unit located within an owner-occupied single-family building. The exterior architectural design and use of an accessory dwelling shall be harmonious with the appearance and use of the structure as the owner's home. The gross floor area of the accessory dwelling shall not be more than the gross floor area of the primary dwelling and not greater than ~~550~~ 800 square feet. The accessory dwelling shall be self-contained with separate sleeping, cooking and sanitary facilities for the exclusive use of the occupant. The structure containing the primary dwelling and accessory dwelling shall be in single ownership, and one of the units shall be owner-occupied.

- (2) Available upon a short waiting time; and
- (3) Packaged or presented in such a manner that it can be readily consumed outside the premises where it is sold.

TENT

A portable enclosure constructed of fabric, plastic, or a similar pliable material supported by one or more poles and secured by pegs in the ground. Tents shall not be erected for periods exceeding 30 days per calendar year unless a special permit has been issued by the Planning Board; however, tents which in the aggregate exceed 150 square feet shall not be erected for more than three events per year or periods exceeding nine days per year, whichever is less, on

properties where the principal use is residential unless a special permit from the Board of Appeals has been issued based on a determination that the use is ancillary to the residential use of the property and not a commercial use.

2. Amend section 8C(3)(d) as follows:

One of the two lots shall be allowed to have a second dwelling unit, subject to the requirements of the tertiary dwelling definition contained within § 139-2 of this chapter. The Planning Board may waive this requirement by the issuance of a special permit, provided that the Board finds that the proposal is in keeping with the character of the surrounding neighborhood.

3. Amend section 16D as follows:

r = regularity factor

A = land area in square feet

p = perimeter in feet

- (2) That part of the lot area in excess of the required lot area may be excluded from the regularity formula in determining the regularity factor. The perimeter containing the excess area shall not include the required frontage.

- (3) The regularity formula shall not apply to lots recorded or endorsed prior to April 15, 1980.

(4) The Planning Board may issue a special permit to waive compliance with the regularity factor for a lot provided that the Planning Board finds that such waiver does not negatively impact access to the lots and does not result in the creation of lots that would have a negative impact on the character of the surrounding neighborhood.

4. Amend section 20.1B(2)(h) as follows:

All secondary dwellings, tertiary dwellings, and garage apartments approved by the Planning Board shall have a combined driveway access. (Select Board)

**ARTICLE 68
(Cemetery Regulations)**

To see if the Town will vote, pursuant to General Laws Chapter 114, Section 23, to approve the following Cemetery Regulations, as adopted by the Cemetery Commissioners, and to insert the regulations as Chapter 234 in the Town's Regulations:

I. General Rules

Town Cemeteries are open daily from dawn to one-half hour after sunset.

The License Holder (owner of a lot) is limited to interring human remains or cremated human remains in that site. The owner also has a limited right to place a monument and plant flowers or shrubs. These limitations are outlined in other sections of these regulations.

Cemeteries are places for contemplation and quiet reflection. They are not recreation areas. Please respect these sacred grounds and use common sense: No loud noise, bad behavior or trash.

No person shall remove, cut, break or mark any tree or shrub; or mark upon, deface, or injure any monument or structure on the grounds.

Gravestone repairs require prior authorization of the Cemetery Commission or its designated agent. Rubbings are not permitted. Take photographs only.

Firearms shall not be discharged in the cemeteries, except for salutes at military funerals, Memorial Day, or Veteran's Day.

Dogs must be leashed at all times and be under control of their handler. Dog walkers must clean up after their dogs and must ensure that dogs do not trespass on any grave.

All trash must be removed from Town cemeteries, as there are no trash receptacles available.

Additional Rules and Regulations Applicable to the Polpis Burial Ground

Polpis Cemetery is open to cremation interments only.

Cremation lots are four feet (4') by six feet (6') and shall have no more than four (4) cremations in each lot.

Only one monument or marker per cremation lot will be allowed. A foundation must be placed under each monument. Only a professional who normally provides such a service in the community shall be permitted to place the foundation and monument,

unless the Commissioners explicitly waive this requirement in writing. Markers may not be set to embrace two or more grave lots. All markers shall be flush with the ground. No wooden crosses shall be allowed.

The Town shall not be liable for damage to monuments or markers. Markers may be of granite, marble or bronze, the use of limestone, sandstone, cast or cement stone and metals for monuments shall not be allowed. Monuments may be made of native boulders.

Because Polpis Cemetery is a natural setting, no additional planting will be allowed on lots.

No other structure but approved markers or monuments may be placed on a lot.

No vehicles are allowed in the Polpis Cemetery.

No lights of any kind will be allowed.

To see if the Town will vote to request its representatives in the General Court to introduce legislation seeking a special act the text of which is set forth below and to authorize the General Court, with the approval of the Select Board, to make constructive changes in the text thereto as may be necessary or advisable in order to accomplish the intent of this legislation in order to secure passage; or to take any other action related thereto.

An Act Authorizing the Town of Nantucket to Impose a Real Estate Transfer Fee for Affordable and Workforce Housing and Related Capital Improvements

SECTION 1. For purposes of this act, the words and phrases set forth in this section shall have the following meanings:

"Affordable Housing Restriction" is a recorded instrument held by a qualified holder which encumbers and/or restricts a real property interest so that the real property interest is perpetually or for a term of at least thirty (30) years limited to use as a residence occupied by a low or moderate income household which earns less than a specified income level, the upper limit of which may not exceed two hundred forty percent (240%) of the Nantucket median income. A "qualified holder" is a governmental body or charitable corporation or trust which qualifies under the terms of chapter one hundred eight-four of the General Laws ("Chapter 184") to hold an affordable housing restriction. Without limiting the generality of the foregoing, "Affordable Housing Restriction" includes but is not limited to any instrument which conforms to the requirements of (i) a Nantucket Housing Needs Covenant as described in Chapter 301 of the Acts of 2002 and defined in the Town of Nantucket Code.

"Housing and Community Development Fund", shall refer to a discrete fund or account, established by the county treasurer of the Nantucket County under the provisions of this act.

"Eligible Applicants", shall refer to non-profit and for-profit corporations and organizations, individuals, and public entities.

"Purchaser", shall refer to the transferee, grantee or recipient of any real property interest.

"Purchase price", all consideration paid or transferred by or on behalf of a purchaser to a seller or his nominee, or for his benefit, for the transfer of any real property interest, and shall include, but not be limited to, all cash or its equivalent so paid or transferred; all cash or other property paid or transferred by or on behalf of the purchaser to discharge or reduce any obligation of the seller; the principal amount of all notes or their equivalent, or other deferred payments, given or promised to be given by or on behalf of the purchaser to the seller or his nominee; the outstanding balance of all obligations of the seller which are assumed by the purchaser or to which the real property interest transferred remains subject after the transfer, determined at the time of transfer, but excluding real estate taxes and other municipal liens or assessments which are not overdue at the time of transfer; the fair market value, at the time of transfer, of any other consideration or thing of value paid or transferred by or on behalf of the purchaser,

including, but not limited to, any property, goods or services paid, transferred or rendered in exchange for such real property interest.

"Real property interest", shall refer to any present or future legal or equitable interest in or to real property, and any beneficial interest therein, including the interest of any beneficiary in a trust which holds any legal or equitable interest in real property, the interest of a partner or member in a partnership or limited liability company, the interest of a stockholder in a corporation, the interest of a holder of an option to purchase real property, the interest of a buyer or seller under a contract for purchase and sale of real property, and the transferable development rights created under chapter one hundred eighty-three A of the General Laws; but shall not include any interest which is limited to any of the following: the dominant estate in any easement or right of way; the right to enforce any restriction; any estate at will or at sufferance; any estate for years having a term of less than 30 years; any reversionary right, condition, or right of entry for condition broken; and the interest of a mortgagee or other secured party in any mortgage or security agreement.

"Seller", shall refer to the transferor, grantor or immediate former owner of any real property interest.

"Time of transfer" of any real property interest shall mean the time at which such transfer is legally effective as between the parties thereto, and, in any event, with respect to a transfer evidenced by an instrument recorded with the appropriate registry of deeds or filed with the assistant recorder of the appropriate registry district, not later than the time of such recording or filing.

"Town" shall refer to the Town of Nantucket acting by and through the Select Board.

SECTION 2. There is hereby imposed a fee equal to one half per cent ($\frac{1}{2}\%$) of the purchase price upon the transfer of any real property interest in any real property situated in Nantucket County. Said fee shall be the liability of the seller of such real property interest, and any agreement between the purchaser and the seller or any other person with reference to the allocation of the responsibility for bearing said fee shall not affect such liability of the seller. The fee shall be paid to the Town of Nantucket, or its designee, and shall be accompanied by a copy of the deed or other instrument evidencing such transfer, if any, and an affidavit signed under oath or under the pains and penalties of perjury by the purchaser or his legal representative and the seller or his legal representative, attesting to the true and complete purchase price and the basis, if any, upon which the transfer is claimed to be exempt in whole or in part from the fee imposed hereby. The Town, or its designee, shall promptly thereafter execute and issue a certificate indicating that the appropriate fee has been paid or that the transfer is exempt from the fee, stating the basis for the exemption. The register of deeds for Nantucket County, and the assistant recorder for the registry district of Nantucket County, shall not record or register, or receive or accept for recording or registration, any deed, except a mortgage deed, to which has not been affixed such a certificate executed by the Town or its designee. Failure to comply with this requirement shall not affect the validity of any instrument. The Town shall deposit all fees received hereunder with the Town treasurer. The treasurer shall deposit such fees in the Affordable Housing Trust Fund. The fee imposed hereunder shall be due simultaneously with the time of transfer of the transfer upon which it is imposed. Notwithstanding the foregoing, whenever there is a conveyance of real property interests and a conveyance of

personalty related thereto at or about the same time, the allocations of payments between real estate and personalty agreed to by the purchaser and seller shall not determine the amount of the fee due pursuant to this section; instead, the Town may require payment of the fee referred to in real property interests so conveyed as determined by the Town.

SECTION 3. At any time within seven days following the issuance of the certificate of payment of the fee imposed by section two, the seller or his legal representative may return said certificate to the Town or its designee for cancellation, together with an affidavit signed under oath or under the pains and penalties of perjury that the transfer, with respect to which such certificate was issued, has not been consummated, and thereupon the fee paid with respect to such transfer shall be forthwith returned to the seller or his legal representative.

SECTION 4. The following transfers of real property interests shall be exempt from the fee established by section 10. Except as otherwise provided, the seller shall have the burden of proof that any transfer is exempt under this section and any otherwise exempt transfer shall not be exempt in the event that such transfer (by itself or as part of a series of transfers) was made for the primary purpose of evading the fee imposed by section 10.

(a) Transfers to the government of the United States, the commonwealth, and any of their instrumentalities, agencies or subdivisions, including but not limited to transfers to the Town of Nantucket, the County of Nantucket.

(b) Transfers which, without additional consideration, confirm, correct, modify or supplement a transfer previously made.

(c) Transfers made as gifts without consideration. In any proceedings to determine the amount of any fee due hereunder, it shall be presumed that any transfer for consideration of less than fair market value of the real property interest transferred was made as a gift without consideration to the extent of the difference between the fair market value of the real property interest transferred and the amount of consideration claimed by the seller to have been paid or transferred, if the purchaser shall have been at the time of transfer the spouse, the lineal descendant, or the lineal ancestor of the seller, by blood or adoption, and otherwise it shall be presumed that consideration was paid in an amount equal to the fair market value of the real property interest transferred, at the time of transfer.

(d) Transfer to the trustees of a trust in exchange for a beneficial interest received by the purchaser in such trust; distributions by the trustees of a trust to the beneficiaries of such trust.

(e) Transfers by operation of law without actual consideration, including but not limited to transfers occurring by virtue of the death or bankruptcy of the owner of a real property interest.

(f) Transfers made in partition of land and improvements thereto, under chapter two hundred and forty-one of the General Laws.

(g) Transfers to any charitable organization as defined in clause Third of section five of chapter fifty-nine of the General Laws, or any religious organization, provided that the real property interest so transferred will be held by the charitable or religious organization solely for its public charitable or religious purposes.

(h) Transfers to a mortgagee in foreclosure of the mortgage held by such mortgagee, and transfers of the property subject to a mortgage to the mortgagee in consideration of the forbearance of the mortgagee from foreclosing said mortgage.

(n) Transfers of minority interests in corporations, trusts, partnerships or limited liability companies which are publicly traded, which trades are not part of a series of transfers which together constitute a transfer of control of a corporation, trust, partnership or limited liability company.

SECTION 5. (a) The Town treasurer shall keep a full and accurate account stating when, from or to whom, and on what account money has been paid or received relative to the activities of the Trust Fund and the Housing Fund. Said account shall be subject

to examination by the director of accounts or his agent pursuant to section forty-four of chapter thirty-five of the General Laws.

(b) Schedules of beneficiaries of trusts, list of stockholders of corporations and lists of partnerships filed with the Trust Fund for the purpose of determining or fixing the amount of the fee imposed under section ten or for the purpose of determining the existence of any exemption under section twelve shall not be public records for the purposes of section ten of chapter sixty-six of the General Laws.

SECTION 6. A seller who fails to pay all or any portion of the fee established by section two on or before the time when the same is due shall be liable for the following additional payments in addition to said fee:

(a) Interest: The seller shall pay interest on the unpaid amount of the fee to be calculated from the time of transfer at a rate equal to fourteen per cent per annum.

(b) Penalties: Any person who, without fraud or willful intent to defeat or evade a fee imposed by this chapter, fails to pay all or a portion of the fee within thirty days after the time of transfer, shall pay a penalty equal to five per cent of the outstanding fee as determined by the Town for each month or portion thereof thereafter that the fee is not paid in full; provided, however, that in no event shall the amount of any penalty imposed hereunder exceed twenty-five per cent of the unpaid fee due at the time of transfer. Whenever the Town determines that all or a portion of a fee due under this chapter was unpaid due to fraud with intent to defeat or evade the fee imposed by this chapter, a penalty equal to the amount of said fee as determined by the Town shall be paid by the seller in addition to said fee.

SECTION 7. (a) The Town shall notify the purchaser and the seller by registered or certified mail of any failure to discharge in full the amount of the fee due under this Act and any penalty or interest assessed. The Town shall grant a hearing on the matter of the imposition of said fee, or of any penalty or interest assessed, if a petition requesting such hearing is received by the Town within thirty days after the mailing of said notice. The Town shall notify the purchaser and the seller in writing by registered or certified mail of its determination concerning the deficiency, penalty or interest within fifteen days after said hearing. Any party aggrieved by a determination of the Town concerning a deficiency, penalty or interest may, after payment of said deficiency, appeal to the district or superior court within three months after the mailing of notification of the determination of the Town. Upon the failure to timely petition for a hearing, or appeal to said courts, within the time limits hereby established, the purchaser and seller shall be bound by the terms of the notification, assessment or determination, as the case may be, and shall be barred from contesting the fee, and any interest and penalty, as determined by the Town. All decisions of said courts shall be appealable. Every notice to be given under this section by the Town shall be effective if mailed by certified or registered mail to the purchaser or the seller at the address stated in a recorded or registered instrument by virtue of which the purchaser holds any interest in land, the transfer of which gives rise to the fee which is the subject of such notice; and if no such address is stated or if such transfer is not evidenced by an instrument recorded or registered in the public records in Nantucket County, such notice shall be effective when so mailed to the purchaser or seller in care of any person appearing of record to have a

fee interest in such land, at the address of such person as set forth in an instrument recorded or registered in Nantucket County.

(b) All fees, penalties and interest required to be paid pursuant to this chapter shall constitute a personal debt of the seller and may be recovered in an action of contract or in any other appropriate action, suit or proceeding brought by the Town; said action, suit or proceeding shall be subject to the provisions of chapter two hundred and sixty of the General Laws.

(c) If any seller liable to pay the fee established by this act neglects or refuses to pay the same, the amount, including any interest and penalty thereon, shall be a lien in favor of the Town upon all property and rights to property, whether real or personal, belonging to either such purchaser or such seller. Said lien shall arise at the time of transfer and shall continue until the liability for such amount is satisfied. Said lien shall in any event terminate not later than six years following the time of transfer. Said lien shall not be valid as against any mortgagee, pledgee, purchaser or judgment creditor unless notice thereof has been filed by the Town (i) with respect to real property or fixtures, in the registry of deeds for Nantucket County, or (ii) with respect to personal property, in the office in which a security or financing statement or notice with respect to the property would be filed in order to perfect a nonpossessory security interest belonging to the person named in the relevant notice, subject to the same limitations as set forth in section fifty of chapter sixty-two C of the General Laws.

(d) Sellers applying for an exemption under subsections (a) through (n) of section four shall be required at the time of application for exemption to execute an agreement legally binding on sellers and separately legally binding upon any Legal Representative of the sellers (1) assuming complete liability for any fee, plus interest and penalties if any, waived on account of an allowed exemption subsequently determined to have been invalid, and (2) submitting to the jurisdiction of the trial court of the commonwealth sitting in Nantucket County. Fees, plus interest and penalties if any, shall be calculated as of the date of the initial property transfer. Execution of the above-described agreement shall not be required of any mortgagee, pledge, purchaser or judgment creditor unless notice of the agreement has been recorded or filed by the Town.

In any case where there has been a refusal or neglect to pay any fee, interest or penalties imposed by this act, whether or not levy has been made, the Town, in addition to other modes of relief, may direct a civil action to be filed in a district or superior court of the commonwealth to enforce the lien of the Town under this section with respect to such liability or to subject any property of whatever nature, of the delinquent, or in which he has any right, title or interest, to the payment of such liability.

The Town may issue a waiver or release of any lien imposed by this section. Such waiver or release shall be conclusive evidence that the lien upon the property covered by the waiver or release is extinguished.

SECTION 8. The fee described in section 2 shall be of a ten-year duration from the date this act shall take effect. This fee may continue for five-year periods by a majority vote at a Town Meeting authorizing the fee. The fee described by section 2 may be (1) decreased, or (2) eliminated by two-thirds vote of Town Meeting. In the event that Town Meeting votes to eliminate the fee, the balance of any fees previously collected shall be transferred to the Town of Nantucket and held by the treasurer in a separate account, and shall first be used to satisfy any outstanding liabilities or obligations incurred by the

Town of Nantucket or the Affordable Housing Trust as a result of imposition of the fee, and the remainder may be expended without further appropriation by the Select Board for affordable housing purposes. In the event that the liabilities and obligations of the Town of Nantucket or the Affordable Housing Trust exceed the amounts transferred to the Town, the fee shall remain in full force and effect until such liabilities and obligations have been satisfied.

SECTION 9. The provisions of this act are severable, and if any provision hereof, including without limitation any exemption from the fee imposed hereby, shall be held invalid in any circumstances such invalidity shall not affect any other provisions or circumstances. This act shall be construed in all respects so as to meet all constitutional requirements. In carrying out the purposes and provisions of this act, all steps shall be taken which are necessary to meet constitutional requirements whether or not such steps are required by statute.

SECTION 10. If the Town has determined that a fee is due by asserting the application of the evasion of fee doctrine described in section 2 then the seller shall have the burden of demonstrating by clear and convincing evidence as determined by the Town that the transfer, or series of transfers, possessed both: (i) a valid, good faith business purpose other than avoidance of the fee set forth in section 2 and (ii) economic substance apart from the asserted fee avoidance benefit. In all such cases, the transferee shall also have the burden of demonstrating by clear and convincing evidence as determined by the Town that the asserted non-fee-avoidance business purpose is commensurate with the amount of the fee pursuant to section 2 to be thereby avoided.

SECTION 11. Pursuant to state enabling legislation pending with the General Court for the adoption of an act providing cities and towns the option to support affordable housing with a fee on certain real estate transactions, the legislative body of a city or town by a majority vote may adopt said act upon the passage of said act by the Senate and the House of Representatives of the General Court, and furthermore, a favorable majority vote of this Article by this Town Meeting is also deemed to be a vote by Town Meeting to adopt said act providing cities and towns the option to support affordable housing with a fee on certain real estate transactions, provided the provisions contained herein are consistent with the provisions of said act.

SECTION 12. This act shall take effect ninety (90) days following the date of passage.

(Home Rule Petition: An Act Prohibiting the Application of Fertilizer in the Town of Nantucket

To see if the Town will vote to request its representatives in the General Court to introduce special legislation, the text of which is set forth below, prohibiting the application of fertilizer in the Town of Nantucket except for farming purposes, and to authorize the General Court, with the approval of the Select Board, to make changes of form to the text thereto as may be necessary or advisable in order to accomplish the intent and public purpose of this legislation in order to secure passage

An Act Prohibiting the Application of Fertilizer Used in the Town of Nantucket Except for Farming Purposes

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same as follows:

Section 1. There is sound scientific evidence to conclude that nitrogen and phosphorus in fertilizers are contaminants that negatively affect fresh and salt waters when present in excessive amounts. These excessive amounts of nitrogen and phosphorus contribute to undesirable algae and aquatic plant growth within all Nantucket water bodies. This undesirable algae and aquatic plant growth has an adverse effect on public health through the degradation of waters used for drinking water, shell fishing, and recreational swimming and boating.

Section 2. It is necessary to prohibit the application of fertilizer that contains phosphorus and nitrogen so as to improve the water quality of the Town of Nantucket. The soils of Nantucket are unique insofar as Nantucket has significant amounts of coarse, sandy soils that are subject to rapid water infiltration, percolation and leaching of nutrients, and such unique local conditions require that Nantucket prohibit the application of nitrogen and phosphorus added to soils through the application of fertilizers. This Act should help Nantucket to achieve compliance with the Total

Maximum Daily Loads (TMDL) prescribed by the Commonwealth of Massachusetts for nitrogen and phosphorus in its waters.

Section 3. Notwithstanding any General or Special law to the contrary, including but not limited to any General or Special law conferring exclusive authority upon the Department of Agriculture to regulate and control the application of fertilizers elsewhere in the Commonwealth, the application of fertilizer containing nitrogen or phosphorus, or any other pollutants in the Town of Nantucket, is hereby prohibited.

Section 4. This act shall take effect upon passage.

Or to take any other action related thereto.
