

Coastal Resilience Advisory Committee – Education Sub-committee

First meeting to establish the sub-committee. Minutes from 1/10/2020

Present were Mary Longacre, Sarah Bois & Graeme Durovich. Staff present Vincent Murphy.

Call to order at 16.00.

Three officer positions decided between the sub-committee members.

Sarah Bois – Chair

Graeme Durovich – Vice chair

Mary Longacre – Secretary

Discussion of main goals

- Investigate brochures. See what other communities have and that may be useful for coastal Resilience education on Nantucket.
- Education materials on multiple topics and levels
 - Homeowners, renters, underserved communities, other languages. Work with schools
 - Mike Horton – living curriculum.
- Jen Karberg and Sarah Bois collected material from the Gulf of Maine 2050 International Symposium. Some of these materials can be adapted for use on Nantucket. Brochures and handouts mostly.
- Talks may be part of the education forums.
- Talks in a box are geared towards information events for homeowners

Mission statement.

To create or provide education materials and outreach opportunities on multiple coastal resilience topics to audiences of Nantucket's diverse communities.

Other points

- Vincent to investigate if this sub-committee education materials could come under “**Ack Local**” branding initiative under development in the Sustainability Working Group.
- Meetings will be as required.
- Next meeting is planned for 4.00 on Jan 30th, 2020.

Meetings adjourned at 4.32.
