

## NEXT STEPS

By way of follow up, the R&ROW Committee respectfully requests that the BOS take **five (5) specific steps** as soon as possible:

one, **formally accept the Report** of the Subcommittee as adopted by the R&ROW Committee;

two, direct the Town Administration to **prepare an article** for the Warrant for ATM2011 for the taking of Anne's (Ann's) Lane way;

three, direct the Town Administration to **begin negotiations** with the abutters of the five (5) ways recommended by the Subcommittee to be included in the first phase of negotiations to secure pedestrian access easements to the Foot-path in perpetuity;

four, **commit to the implementation of the Management Plan** with the recognition that the R&ROW Committee and the Sconset Civic Association are prepared to provide support for and assistance with this task, including enforcement of TON ordinances as they relate to the Foot-path; and

five, direct the R&ROW Committee to **report back** to the BOS on progress made to-date in six months (June, 2011).
