OUR ISLAND HOME

WHO ARE WE?

OUR ISLAND HOME is a 45-bed Skilled Nursing Facility located on the “Creeks”, (harbor side) on the Island of Nantucket. Our Resident population is diverse in not only heritage but origin of location. You will find men and women whose family roots go deep into Nantucket soil and those who have come to join family or are recent “transplants” who came to visit and chose to stay. We provide 24 hour nursing care for those people who can no longer safely remain at home.

WHO ARE OUR CAREGIVERS?

Our care giving team is as diverse as our Residents. You will find an inter-

national staff whose primary goal is to care for those entrusted to us.

VISION STATEMENT

Our Island Home is the provider of care for Residents of Nantucket needing long term nursing care. OIH meets the needs of the Nantucket Community through inpatient services, geriatric related education and outreach programming.
