To see if the Town will vote to authorize the Board of Selectmen to petition the General Court for special legislation set forth below; provided, however, that the General Court may with the approval of the Board of Selectmen, make constructive changes in

language as may be necessary or advisable towards perfecting the intent of this legislation in order to secure passage; or to take any other action related thereto:

AN ACT authorizing the Town of Nantucket to supply itself and its inhabitants with water

SECTION 1. SECTION 2. The said town, for the purposes aforesaid, is hereby authorized to acquire by purchase or take by eminent domain under chapter 79 of the General Laws the entire water rights, estates, franchises and privileges of any corporation supplying water to its inhabitants and thereby become entitled to all its rights and privileges and subject to all its duties and liabilities; and may lease, or take by eminent domain under said chapter seventy-nine, or acquire by purchase or otherwise, and hold, the waters, or any portion thereof, of any pond, brook, spring, stream or any ground water sources within its limits, not already appropriated for purposes of public water supply, and any water or flowage rights connected therewith; provided, that the amount of water which may be taken shall from time to time be determined by vote of the town; and also may take by eminent domain under said chapter 79, or acquire by purchase or otherwise, and hold, all lands, rights of way and other easements necessary for collecting, storing, holding, purifying and treating such water and protecting and preserving the purity thereof and for conveying the same to any part of said town; provided, that no source of water supply and no lands necessary for protecting and preserving the purity and quality of the water shall be taken or used without first obtaining the advice and approval of the department of environmental protection, and that the location and arrangement of all dams, reservoirs, wells or filter galleries, filtration and pumping plants or other works necessary in carrying out the provisions of this act shall be subject to the approval of said department. Said town may construct, erect and maintain on the lands acquired and held under the provisions of this act proper dams, reservoirs, pumping and filtration plants, buildings, standpipes, tanks, fixtures and other structures, including also purification and treatment works, the construction and maintenance of which shall be subject to the approval of the department of environmental protection, and may make excavations, procure and operate machinery, and provide such other means and appliances and do such other things as may be necessary for the establishment and maintenance of complete and effective water works; and for that purpose may construct wells and reservoirs, establish pumping works and lay down and maintain aqueducts, conduits, pipes and other works, under or over any lands, water courses, railroads, railways and public or other ways and along any such way in said town in such manner as not unnecessarily to obstruct the same; and for the purpose of constructing, laying, maintaining, operating and repairing such conduits, pipes and other works, and for all other proper purposes of this act, said town may dig up or raise and embank any such lands, highways or other ways in such manner as to cause the least hindrance to public travel thereon. Said town shall not enter upon, construct or lay any conduits, pipes or other works within the location of any railroad corporation except at such time and in such manner as it may agree upon with such corporation or in case of failure so to agree

as may be approved by the department of telecommunications and energy. SECTION 3. The land, water rights and other property taken or acquired under this act, and all works, buildings and other structures erected or constructed under this act, shall be managed, improved and controlled by the board of water commissioners hereinafter provided for in section 8, in such manner as it shall deem for the best interest of the town.

SECTION 4. Any person or corporation injured in his or its property by any action of said town or board under this act may recover damages from said town under said chapter 79; provided, that the right to damages for the taking of any water, water right, or any injury thereto, shall not vest until the water is actually withdrawn or diverted by said town under authority of this act.

SECTION 5. Said town may, for the purpose of paying the necessary expenses and liabilities incurred or to be incurred under the provisions of this act, issue from time to time bonds or notes in accordance with the provisions of section 8 of chapter 44 of the General Laws.

SECTION 6. Said town shall, at the time of authorizing said loan or loans, provide for the payment thereof in accordance with the provisions of section 5; and when a vote to that effect has been passed, a sum which, with the income derived from the water rates, will be sufficient to pay the annual expense of operating the water works, and the interest as it accrues on the bonds or notes issued as aforesaid, and to make such payments on the principal as may be required under the provisions of this act, shall without further vote be assessed by the town annually thereafter in the same manner as other taxes, until the debt incurred by the said loan or loans is extinguished.

SECTION 7. Whoever willfully or wantonly corrupts, pollutes or diverts any of the waters taken or held under this act, or injures any structure, work or other property owned, held or used by said town under the authority and for the purposes of this act, shall forfeit and pay to said town three times the amount of damages assessed therefore, to be recovered in an action of tort; and upon conviction of any one of the above willful or wanton acts shall be punished by a fine of not more than three hundred dollars or by imprisonment for not more than one year, or both.

SECTION 8. All water operations of said town shall be consolidated in department of the town to be known as the water department. All the authority granted to the town by this act, except sections 5 and 6, and not otherwise specially provided for, shall be vested in a five-member board of water commissioners, hereinafter known as the "board". The board shall have exclusive charge and control of the water department and water system of the town, subject however to all lawful by-laws and to such instructions, rules and regulations as said town may impose by its vote. A majority of said board shall constitute a quorum for the transaction of business. Any vacancy occurring in said

board shall be filled at the next annual town election for the remainder of the unexpired term and may be filled temporarily by the board of selectmen until the next annual election, in accordance with the charter of the town of Nantucket as it may be amended from time to time. Said commissioners shall serve for three-year overlapping terms, so arranged that the terms of not more than two commissioners shall expire each year.

SECTION 9. Said board shall fix just and equitable prices and rates for the use of water, and shall prescribe the time and manner of payment of such prices and rates. The income of the water works shall be applied to defraying all operating expenses, interest charges and payments on the principal as they accrue upon any bonds or notes issued under authority of this act. During any period that the water department is not operated under an enterprise fund system of accounting pursuant to section 53F1/2 of chapter 44 of the General Laws, if there should be a net surplus remaining after providing for the aforesaid charges it shall, subject to appropriation by the town, be used for such new construction as the water commissioners may recommend or be reserved by the town for future new construction, and in case a surplus should remain after appropriation or reservation for such new construction, and/or in the event such surplus is not so appropriated and reserved, the water rates shall be reduced proportionately. All authority vested in said board by the foregoing provisions of this section shall be subject to the provisions of section 8 with respect to the town's authority to adopt appropriate bylaws, rules, instructions regulations. Said board shall annually, and as often as the town may require, render a report upon the condition of the works under its charge and an account of its doings, including an account of receipts and expenditures.

SECTION 10. The town of Nantucket shall be the lawful successor of the Siasconset water district and the former Wannacomet Water Company, so-called, in every respect. All property, both real and personal, including funds, records, furnishings and equipment whatsoever in the custody of said department and company shall be transferred by operation of law to the town, and no contracts or liabilities of the Siasconset water district or former Wannacomet Water Company in force on the effective date of this act shall be affected by the dissolution and abolition of the said district or company, except as provided in section 16, below.

SECTION 11. The incumbent general manager of the Wannacomet Water Company, so-called, holding office as of the effective date of this act shall serve as the director of the consolidated water department until the natural expiration of his current appointment, or his sooner resignation, retirement or removal.

SECTION 12. Upon the effective date of this act, the so-called Siasconset water district, created pursuant to chapter 404 of the acts of 1903, as amended, is hereby dissolved, the board of water commissioners created pursuant to said chapter 404 is abolished, and the terms of any incumbent members of said board of water commissioners terminated.

SECTION 13. The enterprise funds previously established by vote of the town pursuant to section 53F1/2 of chapter 44 of the General Laws and referred to as the Siasconset Water Enterprise Fund and the Wannacomet Water Enterprise Fund, to the extent they

are in existence as of the effective date of this act, shall hereby be consolidated into a single enterprise fund to be known as the Nantucket Water Department Enterprise Fund, which consolidated fund shall be subject to said section 53F1/2 in every respect.

SECTION 14. Any properly-adopted rules and regulations of the boards of water commissioners created pursuant to chapter 404 of the acts of 1903 and chapter 476 of the acts of 1987, in effect upon the effective date of this act, shall remain in full force and effect until such time as they are amended or abolished by the board created under section 8 this act.

SECTION 15. Upon the effective date of this act, the then-applicable Memorandum of Agreement between the Nantucket Water Commission and the Siasconset Water shall be rendered void, and the parties are relieved of their obligations under said Memorandum of Agreement, except to the extent that any payments are outstanding for services rendered prior to the effective date of this act.

SECTION 16. All personnel of the water department created under the section 8 of this act are town employees, and shall be appointed by the board created under said section 8, in accordance with and subject to the requirements of sections 4.5-4.9 of the town charter, chapter 289 of the acts of 1996 as it may be amended from time to time. Such employees shall be subject to any applicable by-laws, and personnel policies and procedures of the town, unless and only to the extent that such by-laws and personnel policies and procedures have been amended by any valid collective bargaining agreement, where applicable. Nothing herein shall be construed to alter or amend the employment status of any existing water department employees, employed as of the effective date of this act, except as provided in section 12, above.

SECTION 17. As of the effective date of this act, the members of the board of water commissioners created by the provisions of chapter 404 of the acts of 1903 and chapter 476 of the acts of 1987, previously known as the Nantucket Water Commissioners, shall become the first members of the five-member board of water commissioners created under section 8 of this act. Such commissioners shall serve for the remainder of their elected terms or their sooner vacating of office. Thereafter, such offices shall be filled in accordance with said section 8. Two additional commissioners shall be elected at the first annual town election occurring no less than 64 days after the passage of this act, one for a 2-year term and one for a 3-year term. If the 2 additional positions would remain vacant for more than 4 months, the board of selectmen may, in its discretion, make temporary appointments to fill the vacancies until the annual election at which the offices may legally appear on the ballot. Thereafter, all elections and temporary appointments to the board shall be made in accordance with said section 8.

SECTION 18. Chapter 307 of the acts of 1925, chapter 436 of the acts of 1963, and chapter 476 of the acts of 1987 are hereby repealed.

SECTION 19. This act shall take effect upon passage.

Or to take any other action related thereto.

(Home Rule Petition: Community Housing Bank Real Estate Transfer Fee)

To see if the Town will vote to request its representatives in the General Court to introduce legislation seeking a special act the text of which is set forth below and to authorize the General Court, with the approval of the Board of Selectmen, to make constructive changes in the text thereto as may be necessary or advisable in order to accomplish the intent of this legislation in order to secure passage; or to take any other action related thereto.

An Act Authorizing the Town of Nantucket to Impose a Real Estate Transfer Fee for Affordable and Workforce Housing and Related Capital Improvements

SECTION 1. For purposes of this act, the words and phrases set forth in this section shall have the following meanings:

"Affordable Housing Restriction" is a recorded instrument held by a qualified holder which encumbers and/or restricts a real property interest so that the real property

interest is perpetually or for a term of at least thirty (30) years limited to use as a residence occupied by a low or moderate income household which earns less than a specified income level, the upper limit of which may not exceed one hundred seventy-five percent (175%) of the Nantucket median income. A "qualified holder" is a governmental body or charitable corporation or trust which qualifies under the terms of Massachusetts General Laws Chapter 184 ("Chapter 184") to hold an affordable housing restriction. Without limiting the generality of the foregoing, "Affordable Housing Restriction" includes but is not limited to any instrument which conforms to the requirements of (i) a Nantucket Housing Needs Covenant as described in Chapter 301 of the Acts of 2002 and defined in the Town of Nantucket Code.

"Housing and Community Development Fund", shall refer to a discrete fund or account, established by the county treasurer of the Nantucket County under the provisions of this act.

"Eligible Applicants", shall refer to non-profit and for-profit corporations and organizations, individuals, and public entities.

"Purchaser", shall refer to the transferee, grantee or recipient of any real property interest.

"Purchase price", all consideration paid or transferred by or on behalf of a purchaser to a seller or his nominee, or for his benefit, for the transfer of any real property interest, and shall include, but not be limited to, all cash or its equivalent so paid or transferred; all cash or other property paid or transferred by or on behalf of the purchaser to discharge or reduce any obligation of the seller; the principal amount of all notes or their equivalent, or other deferred payments, given or promised to be given by or on behalf of the purchaser to the seller or his nominee; the outstanding balance of all obligations of the seller which are assumed by the purchaser or to which the real property interest transferred remains subject after the transfer, determined at the time of transfer, but excluding real estate taxes and other municipal liens or assessments which are not overdue at the time of transfer; the fair market value, at the time of transfer, of any other consideration or thing of value paid or transferred by or on behalf of the purchaser, including, but not limited to, any property, goods or services paid, transferred or rendered in exchange for such real property interest.

"Real property interest", shall refer to any present or future legal or equitable interest in or to real property, and any beneficial interest therein, including the interest of any beneficiary in a trust which holds any legal or equitable interest in real property, the interest of a partner or member in a partnership or limited liability company, the interest of a stockholder in a corporation, the interest of a holder of an option to purchase real property, the interest of a buyer or seller under a contract for purchase and sale of real property, and the transferable development rights created under chapter 183A of the General Laws; but shall not include any interest which is limited to any of the following: the dominant estate in any easement or right of way; the right to enforce any restriction; any estate at will or at sufferance; any estate for years having a term of less than 30 years; any reversionary right, condition, or right of entry for condition broken; and the interest of a mortgagee or other secured party in any mortgage or security agreement.

"Seller", shall refer to the transferor, grantor or immediate former owner of any real property interest.

"Time of transfer" of any real property interest shall mean the time at which such transfer is legally effective as between the parties thereto, and, in any event, with

respect to a transfer evidenced by an instrument recorded with the appropriate registry of deeds or filed with the assistant recorder of the appropriate registry district, not later than the time of such recording or filing.

“Town” shall refer to the Town of Nantucket acting by and through the Board of Selectmen.

SECTION 2. There is hereby imposed a fee equal to one half per cent (1/2%) of the purchase price upon the transfer of any real property interest in any real property situated in Nantucket County. Said fee shall be the liability of the seller of such real property interest, and any agreement between the purchaser and the seller or any other person with reference to the allocation of the responsibility for bearing said fee shall not affect such liability of the seller. The fee shall be paid to the Town of Nantucket, or its designee, and shall be accompanied by a copy of the deed or other instrument evidencing such transfer, if any, and an affidavit signed under oath or under the pains and penalties of perjury by the purchaser or his legal representative and the seller or his legal representative, attesting to the true and complete purchase price and the basis, if any, upon which the transfer is claimed to be exempt in whole or in part from the fee imposed hereby. The Town, or its designee, shall promptly thereafter execute and issue a certificate indicating that the appropriate fee has been paid or that the transfer is exempt from the fee, stating the basis for the exemption. The register of deeds for Nantucket County, and the assistant recorder for the registry district of Nantucket County, shall not record or register, or receive or accept for recording or registration, any deed, except a mortgage deed, to which has not been affixed such a certificate executed by the Town or its designee. Failure to comply with this requirement shall not affect the validity of any instrument. The Town shall deposit all fees received hereunder with the Town treasurer. The treasurer shall deposit such fees as follows: 75% in the Affordable Housing Trust Fund and the remainder in capital project funds as determined by the Board of Selectmen, unless such allocation is changed by the affirmative vote of two-thirds of voters at an annual or special town meeting. The fee imposed hereunder shall be due simultaneously with the time of transfer of the transfer upon which it is imposed. Notwithstanding the foregoing, whenever there is a conveyance of real property interests and a conveyance of personalty related thereto at or about the same time, the allocations of payments between real estate and personalty agreed to by the purchaser and seller shall not determine the amount of the fee due pursuant to this section; instead, the Town may require payment of the fee referred to in real property interests so conveyed as determined by the Town.

SECTION 3. At any time within seven days following the issuance of the certificate of payment of the fee imposed by section two, the seller or his legal representative may return said certificate to the Town or its designee for cancellation, together with an affidavit signed under oath or under the pains and penalties of perjury that the transfer, with respect to which such certificate was issued, has not been consummated, and thereupon the fee paid with respect to such transfer shall be forthwith returned to the seller or his legal representative.

SECTION 4. The following transfers of real property interests shall be exempt from the fee established by section 10. Except as otherwise provided, the seller shall have

the burden of proof that any transfer is exempt under this section and any otherwise exempt transfer shall not be exempt in the event that such transfer (by itself or as part of a series of transfers) was made for the primary purpose of evading the fee imposed by Section 10.

(a) Transfers to the government of the United States, the commonwealth, and any of their instrumentalities, agencies or subdivisions, including but not limited to transfers to the Town of Nantucket, the County of Nantucket.

(b) Transfers which, without additional consideration, confirm, correct, modify or supplement a transfer previously made.

(c) Transfers made as gifts without consideration. In any proceedings to determine the amount of any fee due hereunder, it shall be presumed that any transfer for consideration of less than fair market value of the real property interest transferred was made as a gift without consideration to the extent of the difference between the fair market value of the real property interest transferred and the amount of consideration claimed by the seller to have been paid or transferred, if the purchaser shall have been at the time of transfer the spouse, the lineal descendant, or the lineal ancestor of the seller, by blood or adoption, and otherwise it shall be presumed that consideration was paid in an amount equal to the fair market value of the real property interest transferred, at the time of transfer.

(d) Transfer to the trustees of a trust in exchange for a beneficial interest received by the purchaser in such trust; distributions by the trustees of a trust to the beneficiaries of such trust.

(e) Transfers by operation of law without actual consideration, including but not limited to transfers occurring by virtue of the death or bankruptcy of the owner of a real property interest.

(f) Transfers made in partition of land and improvements thereto, under chapter two hundred and forty-one of the General Laws.

(g) Transfers to any charitable organization as defined in clause Third of section five of chapter fifty-nine of the General Laws, or any religious organization, provided that the real property interest so transferred will be held by the charitable or religious organization solely for its public charitable or religious purposes.

(h) Transfers to a mortgagee in foreclosure of the mortgage held by such mortgagee, and transfers of the property subject to a mortgage to the mortgagee in consideration of the forbearance of the mortgagee from foreclosing said mortgage.

(i) Transfers made to a corporation or partnership or limited liability company at the time of its formation, pursuant to which transfer no gain or loss is recognized under the provisions of section three hundred and fifty-one or seven hundred and twenty-one of the Internal Revenue Code of 1986, as amended; provided, however, that such transfer shall be exempt only in the event that (1) with respect to a corporation, the transferor retains an interest in the newly formed corporation which is equivalent to the interest the transferor held prior to the transfer, or (2) with respect to a partnership or limited liability company, the transferor retains after such formation rights in capital interests and profit interests within such partnership or limited liability company which are equivalent to the interest the transferor held prior to the transfer.

(j) Transfers made to a stockholder of a corporation in liquidation or partial liquidation of the corporation, and transfers made to a partner of a partnership or to a member of a limited liability company in dissolution or partial dissolution of the partnership or limited

liability company; but the transfer shall be exempt only if (i) with respect to a corporation, the transferee receives property (including real property interests and other property received) which is the same fraction of the total property of the transferor corporation as the fraction of the corporation's stock owned by the transferee prior to the transfer or (ii) with respect to a partnership or limited liability company, the transferee receives property (including real property interests and other property received) which is the same fraction of the property of the partnership or limited liability company as the fraction of the capital and profit interests in the transferor formerly owned by the transferee.

(k) Transfers consisting of the division of marital assets under the provisions of section thirty-four of chapter two hundred and eight of the General Laws or other provisions of law.

(l) Transfers of property consisting in part of real property interests situated in Nantucket County and in part of other property interests, to the extent that the property transferred consists of property other than real property situated in Nantucket county; provided that the purchaser shall furnish the Town with such information as it shall require or request in support of the claim of exemption and manner of allocation of the consideration for such transfers.

(m) The first \$2 million of the sale price of any transfer or series of transfers of real property interests in a single parcel. Said exemption may be adjusted for inflation as determined annually by the affirmative vote of two-thirds of voters at an annual or special town meeting. For purposes of this subsection, "inflation" shall mean the increases, if any, in the total of prices paid for real property transfers year to year for real property within the Town of Nantucket.

(n) Transfers of minority interests in corporations, trusts, partnerships or limited liability companies which are publicly traded, which trades are not part of a series of transfers which together constitute a transfer of control of a corporation, trust, partnership or limited liability company.

SECTION 5. (a) The Town treasurer shall keep a full and accurate account stating when, from or to whom, and on what account money has been paid or received relative to the activities of the Trust Fund and the Housing Fund. Said account shall be subject to examination by the director of accounts or his agent pursuant to section forty-four of chapter thirty-five of the General Laws.

(b) Schedules of beneficiaries of trusts, list of stockholders of corporations and lists of partnerships filed with the Trust Fund for the purpose of determining or fixing the amount of the fee imposed under section ten or for the purpose of determining the existence of any exemption under section twelve shall not be public records for the purposes of section ten of chapter sixty-six of the General Laws.

SECTION 6. A seller who fails to pay all or any portion of the fee established by section two on or before the time when the same is due shall be liable for the following additional payments in addition to said fee:

(a) Interest: The seller shall pay interest on the unpaid amount of the fee to be calculated from the time of transfer at a rate equal to fourteen per cent per annum.

(b) Penalties: Any person who, without fraud or willful intent to defeat or evade a fee imposed by this chapter, fails to pay all or a portion of the fee within thirty days after the

time of transfer, shall pay a penalty equal to five per cent of the outstanding fee as determined by the Town for each month or portion thereof thereafter that the fee is not paid in full; provided, however, that in no event shall the amount of any penalty imposed hereunder exceed twenty-five per cent of the unpaid fee due at the time of transfer. Whenever the Town determines that all or a portion of a fee due under this chapter was unpaid due to fraud with intent to defeat or evade the fee imposed by this chapter, a penalty equal to the amount of said fee as determined by the Town shall be paid by the seller in addition to said fee.

SECTION 7. (a) The Town shall notify the purchaser and the seller by registered or certified mail of any failure to discharge in full the amount of the fee due under this Act and any penalty or interest assessed. The Town shall grant a hearing on the matter of the imposition of said fee, or of any penalty or interest assessed, if a petition requesting such hearing is received by the Town within thirty days after the mailing of said notice. The Town shall notify the purchaser and the seller in writing by registered or certified mail of its determination concerning the deficiency, penalty or interest within fifteen days after said hearing. Any party aggrieved by a determination of the Town concerning a deficiency, penalty or interest may, after payment of said deficiency, appeal to the district or superior court within three months after the mailing of notification of the determination of the Town. Upon the failure to timely petition for a hearing, or appeal to said courts, within the time limits hereby established, the purchaser and seller shall be bound by the terms of the notification, assessment or determination, as the case may be, and shall be barred from contesting the fee, and any interest and penalty, as determined by the Town. All decisions of said courts shall be appealable. Every notice to be given under this section by the Town shall be effective if mailed by certified or registered mail to the purchaser or the seller at the address stated in a recorded or registered instrument by virtue of which the purchaser holds any interest in land, the transfer of which gives rise to the fee which is the subject of such notice; and if no such address is stated or if such transfer is not evidenced by an instrument recorded or registered in the public records in Nantucket County, such notice shall be effective when so mailed to the purchaser or seller in care of any person appearing of record to have a fee interest in such land, at the address of such person as set forth in an instrument recorded or registered in Nantucket County.

(b) All fees, penalties and interest required to be paid pursuant to this chapter shall constitute a personal debt of the seller and may be recovered in an action of contract or in any other appropriate action, suit or proceeding brought by the Town; said action, suit or proceeding shall be subject to the provisions of chapter two hundred and sixty of the General Laws.

(c) If any seller liable to pay the fee established by this act neglects or refuses to pay the same, the amount, including any interest and penalty thereon, shall be a lien in favor of the Town upon all property and rights to property, whether real or personal, belonging to either such purchaser or such seller. Said lien shall arise at the time of transfer and shall continue until the liability for such amount is satisfied. Said lien shall in any event terminate not later than six years following the time of transfer. Said lien shall not be valid as against any mortgagee, pledgee, purchaser or judgment creditor unless notice thereof has been filed by the Town (i) with respect to real property or fixtures, in the registry of deeds for Nantucket County, or (ii) with respect to personal property, in the

office in which a security or financing statement or notice with respect to the property would be filed in order to perfect a nonpossessory security interest belonging to the person named in the relevant notice, subject to the same limitations as set forth in section fifty of chapter sixty-two C of the General Laws.

(d) Sellers applying for an exemption under subsections (a) through (o) of section four shall be required at the time of application for exemption to execute an agreement legally binding on sellers and separately legally binding upon any Legal Representative of the sellers (1) assuming complete liability for any fee, plus interest and penalties if any, waived on account of an allowed exemption subsequently determined to have been invalid, and (2) submitting to the jurisdiction of the trial court of the commonwealth sitting in Nantucket County. Fees, plus interest and penalties if any, shall be calculated as of the date of the initial property transfer. Execution of the above-described agreement shall not be required of any mortgagee, pledge, purchaser or judgment creditor unless notice of the agreement has been recorded or filed by the Town.

In any case where there has been a refusal or neglect to pay any fee, interest or penalties imposed by this act, whether or not levy has been made, the Town, in addition to other modes of relief, may direct a civil action to be filed in a district or superior court of the commonwealth to enforce the lien of the Town under this section with respect to such liability or to subject any property of whatever nature, of the delinquent, or in which he has any right, title or interest, to the payment of such liability.

The Town may issue a waiver or release of any lien imposed by this section. Such waiver or release shall be conclusive evidence that the lien upon the property covered by the waiver or release is extinguished.

SECTION 8. The provisions of this act are severable, and if any provision hereof, including without limitation any exemption from the fee imposed hereby, shall be held invalid in any circumstances such invalidity shall not affect any other provisions or circumstances. This act shall be construed in all respects so as to meet all constitutional requirements. In carrying out the purposes and provisions of this act, all steps shall be taken which are necessary to meet constitutional requirements whether or not such steps are required by statute.

SECTION 9. If the Town has determined that a fee is due by asserting the application of the evasion of fee doctrine described in section 13, then the seller shall have the burden of demonstrating by clear and convincing evidence as determined by the Town that the transfer, or series of transfers, possessed both: (i) a valid, good faith business purpose other than avoidance of the fee set forth in section 10 and (ii) economic substance apart from the asserted fee avoidance benefit. In all such cases, the transferee shall also have the burden of demonstrating by clear and convincing evidence as determined by the Town that the asserted non-fee-avoidance business purpose is commensurate with the amount of the fee pursuant to section 10 to be thereby avoided.

SECTION 10. This act shall take effect ninety (90) days following the date of passage.
