Re: Letter of Non-Opposition for Mass Medi-Spa

Dear Commissioner:

Please be advised that the Town of Nantucket has been contacted by Mass Medi-Spa regarding its plans to locate a Registered Marijuana Dispensary in Nantucket.

The Board of Selectmen, acting on behalf of the Town of Nantucket, does hereby provide non-opposition to Mass Medi-Spa Inc. to operate a Registered Marijuana Dispensary in Nantucket. I have been authorized to provide this letter on behalf of the Board of Selectmen.

Since last providing such a letter on July 23, 2015, the Town and Mass Medi-Spa have entered a Host Community Agreement, dated June 1, 2016.

Since the last letter, Mass Medi-Spa has also informed the Board that it has filed a Site Profiling Application for an MRD at 27 Old South Road in Nantucket. The Town has verified with the appropriate officials that the proposed location is in the Commercial Neighborhood (CN) Zoning District, which allows a RMD pursuant to local permitting at the Planning Board. The Town's zoning bylaw defines a "Registered Marijuana Dispensary" as a non-profit that "acquires, cultivates, possesses, processes (including development of related products such as food, tinctures, aerosols, oils or ointments), transfers, transports, sells, distributes, dispenses, or administers marijuana, products containing marijuana, related supplies, or educational materials to qualifying patients or their personal caregivers."

Sincerely,

James R. Kelly
Chairman
