APPLICABILITY

- If trailered item(s) is 11'6" or under wide and 13'6" or under high, this permit is not required.
- MOVES MAY NOT OCCUR BETWEEN 10 AM AND 6 PM FROM JUNE 15 - SEPTEMBER 15.
- If trailered item is over 13'6" high or over 16' wide, the signatures of National Grid, Comcast, Verizon, Lighttower and Extenet are **REQUIRED**; otherwise these signatures are not required for items 13'6" and under high or 16' and under wide.
- Trailered items over 13'6" high require utilities to be moved and notice of move shall be published in a local newspaper (which shall include the move date and time, the "From" and "To" locations, indication that "[applicable streets] may lose utility service for an hour or more," and name(s) of contact person(s) at the moving company, and a rain date). **THE NOTICE MUST BE ADVERTISED for two (2) consecutive weeks prior to the scheduled move date.**
- Modular structures which are barged to Nantucket also require notice of move in a local newspaper for two (2) consecutive weeks prior to the scheduled move date, regardless of height.
- Moves that involve utilities in any way will require a pre-move meeting, to be scheduled by the Mover and should include all contacts identified on the attached "Over the Road Permit Application - Contact List".
- For moves that require utility company involvement, the Mover is required to email the contacts identified in the attached contact list one week prior to the move and again one day prior to the move to get confirmation that everyone is prepared for the move.
- Any hedges, trees, shrubs, fences, posts, or other structures on public roads that might be affected must be identified to the Department of Public Works by the applicant, at least one week prior to sign-off.
- The Mover must contact the Town Arborist and review the move route at least one week before the scheduled move.

SECTION III. APPLICANT'S AFFIDAVIT

Are there any private roads (property) in the proposed route? : YES NO

If yes, it is entirely the responsibility of the mover to obtain the permission of the abutters on any route over private property, and the applicant hereby declares that this has been obtained. Attached are approvals or agreements signed by all parties along public roads whose property (shrubs, trees, and other obstructions) will be directly affected. If the applicant ceases to comply with these approvals, or an unresolved objection is received by the Town Administration office prior to the move, the Town's approval of this permit will be null and void. Any damage to public or private trees and/or other property, whether by prior agreement or accidental, will be promptly reimbursed or repaired to the satisfaction of the owner by the applicant. **The mover's licensed construction supervisor will be on the scene during the move.**

The Applicant agrees to indemnify and save the Town harmless from any and all manner of suits, claims, or demands arising out of any errors, omissions or negligence by the Applicant (including all of its employees or agents) in proceeding with the activities which are the subject of its permit application, including the cost of defense by counsel of the Town's own choosing. Prior to undertaking any activities authorized by this permit, the Applicant shall also provide the Town with proof of insurance protecting against suits, claims or demands which may arise from the activities authorized by this permit, in an amount deemed by the Town to be sufficient to cover such potential suits, claims, or demands under the circumstances at issue.

NOTE: Any permit issued upon approval of this application does not give any permission, authority or consent, express or implied, to move any trailered structure, vehicle, boat, or equipment across any private road or any private property, and such permit shall not, unless expressly so stated, so permit, authorize or consent to the applicant's moving any trailered structure, vehicle, boat, or equipment across private roads or private property; such permission, authority and consent is to be obtained by applicant directly from the owners thereof.

The Town, in issuing this permit, has not undertaken to determine which road or roads along the proposed route are public or private and has not undertaken to determine whether or not applicant has the requisite legal authority, permission or consent to use such road or roads along the proposed route. Applicant should consult with applicant's own attorneys to ensure proper authorization, permissions and consents have been obtained.

By signing below, I hereby affirm, under the penalties of perjury, that all representations made herein by me are true, and affirm further that I have read and understand and knowingly agree to all terms and conditions set forth herein.
