## APPROVED FILM PERMIT

### PERMIT # F032419-041119

#### Exhibit A

#### The Permit is subject to the following conditions:

- 1. Disruption to Residents / Occupants / Businesses:** It's the production company's responsibility to ensure that there is a minimum of disruption to residents, occupants, businesses, and Town Employees where filming occurs. This includes ensuring residents, owners and customers' access to their respective premises and ensuring pedestrian and vehicular access to adjoining properties.
- 2. Lighting** for filming should be oriented away from neighboring residences unless residents have been contacted and do not express any objection and should not interfere with the safe movement of traffic.
- 3. Noise:** Night shooting between the hours 10:00pm and 7:00am is restricted without the prior approval from the Select Board. If the affected residents / occupants / businesses have been advised in advance of the nature of the noise and do not object, the likelihood of complaint will be reduced.
- 4. Notifications:** Affected residents and businesses as determined by the Select Board and / or Town Staff must be notified in advance of filming. A copy of all notification letters to residents and businesses must be submitted to Licensing and Permitting Office for reference. Notification letters must include the name of the Production Manager, Location Manager, title of the Production, emergency contact numbers – office and cellular, the duration & location of the filming, any planned interference with pedestrian or vehicular traffic, or any activities as the use of explosions, noise from prop firearms, after hour filming, and obstruction of public access.
- 5. Vehicles, Traffic, Parking:** No interference with pedestrian or vehicular traffic is to occur without being noted on the permit. Requests for parking privileges in legal parking spots must be reviewed and approved by Nantucket Police Department and Town Administration office. The Film permit does not provide permission for parking of vehicles in prohibited areas or in contravention of any regulation of Massachusetts General Laws or Nantucket's Bylaws unless specifically approved. If filming activities assert exclusive use of Town Property such as one or more lanes of a street, walkway, or sidewalk, permit for blocking of street / sidewalk must be obtained. **Emergency Vehicle Access to be maintained at all times.**
- 6. Police Details** may be required for the purpose of traffic control, traffic holding, or public safety. The film company is responsible for retaining the officers and for payment of all associated costs.
- 7. Filming at Private Properties:** The production company should obtain written permission from the property owners and copy the same permission to the Licensing and Permitting Office.
- 8. Clean-up Plan:** Production crew must clean the location at the end of the day with a minimum amount of noise and disruption and ensure that the area is returned to the original condition.
- 9. Film Credit:** The film company will be required to include the Town of Nantucket in the list of film credits.
- 10. Filming Revisions to Original permit:** Licensing and Permitting Office must be notified of any changes or modifications to the original film permit at least 48 hours in advance to the shoot date. Depending on the scope of the changes, there may be an additional fee.
- 11. Special Effects (firearm props):** Film Location Manager must call the Nantucket Police Department at 508-228-1212 to make notification prior to filming the scenes that include firing firearms.
- 12.** Filming in the area of Public Schools / Nantucket Boys and Girls Club must not interfere with school dismissal at 2:20pm.
- 13.** Film Applicant must comply with all police, fire, safety and sanitary laws, bylaws and regulations of the Town of Nantucket, federal, state law or regulation relating to the Applicant's permitted activity.
