Nantucket Memorial Airport

June Noise Complaint Summary:

June 2019 – 9 Noise Complaints

9 Noise complaints were received from 8 different residents.

- 5 complaints were received regarding VFR operations. Upon investigation it was determined that:
 - 2 complaints resulted from pilots not observing the VFR noise abatement corridors: follow up was provided to the pilots.
 - 3 complaints resulted from operations occurring within noise abatement corridors.
- 3 complaints were received regarding IFR operations.
- 1 complaint resulted from ground/APU noise. The APU log entry shows that the corresponding pilot was given notice of APU policy violation: the pilot's response was that he was waiting for passengers to arrive.

Follow up to the complainant was provided in 8/9 cases (89%).
