Re: *Vineyard Wind LLC*, EFSB 20-01/D.P.U. 20-56/20-57

Dear Ms. Holmes:

Our law firm represents, Vineyard Wind LLC (“Vineyard Wind”), which has three petitions before the Massachusetts Energy Facilities Siting Board (“Siting Board”) and the Massachusetts Department of Public Utilities (“Department”) relating to its proposal to construct a new onshore and offshore transmission line, a new electric substation, and other electric equipment necessary to connect its planned offshore wind farm to the regional electric grid.

The Siting Board will hold a virtual public comment hearing regarding the petitions on **Wednesday, October 7, 2020**. In accordance with directions Vineyard Wind has received from the Siting Board, and as we discussed by phone, enclosed for posting in a prominent location on the Town’s website for public review are digital copies of the following documents related to Vineyard Wind’s petitions at the Siting Board, docket number EFSB 20-01 and at the Department, docket numbers D.P.U. 20-56 and 20-57:

- (1) A Notice of Public Comment Hearing and Notice of Adjudication (“Notice”) and an abbreviated Please Read notice (“Please Read”), each with Portuguese translations;
- (2) A Section 69J Petition with a two-volume attachment;
- (3) A Zoning Petition with multiple exhibits; and
- (4) A Section 72 Petition, with an attachment.

The Siting Board has directed Vineyard Wind to send these documents to the Town electronically for posting on the Town's website **by Wednesday, September 23, 2020** (two weeks prior to the virtual public comment hearing). The Siting Board has requested that the Town post the English and Portuguese versions of the Notice and Please Read in a prominent location on the website, and that those documents remain accessible on the website until 5:00 on October 28, 2020, the close of the intervention period in the Siting Board proceeding.

The Siting Board has also requested that the Town post the three Petitions, with attachments, in a prominent location on the Town's website **by Wednesday, September 23, 2020** (two weeks prior to the virtual public comment hearing), and that those documents should remain on the website for public review until evidentiary hearings in the Siting Board proceeding have concluded and briefs have been filed. Vineyard Wind will notify you of the date when briefs have been filed.

The Petitions and their attachments, due to their size, are being sent in a separate email via our secure large file transfer system, BISCOM. Instructions for accessing the documents are below. We have also enclosed step-by-step instructions with images accompanying each step.

Recipients of the BISCOM Large File Transfer will receive a separate email from nwilbur@foleyhoag.com. Unless the recipients have used BISCOM in the past and have already registered, they will need to click the link in the email to register an account with the BISCOM Large File Transfer System.

To Register:

1. Click and Open the Large File Transfer Message you receive;
2. Click the Link (or Copy and Paste the Link in your Browser);
3. A User Registration Page will appear;
4. Complete the User Registration Page and Click the Register Button to continue;
5. Create a Password;
6. Once successfully activated, sign in using your new Username and Password.
(Username is your email address);
7. To access the files, click on the Link in the Subject Line;
8. Once Delivery Message is open you can download the files sent.

Per the Siting Board's instructions, Vineyard Wind is also sending copies of the Notice and Please Read by first class mail to the following Town agencies and officials: the Town Manager, the Planning Board, the Board of Selectmen, the Zoning Board of Appeals, the Department of Public Works, and the Conservation Commission.
