

## BCBS Identity Protection Services with Experian

- an industry leader in providing credit monitoring and identity theft protection services.

Experian Identity Protection services include:

- Credit monitoring – Monitors activity that may affect credit.
- Fraud detection – Identifies potentially fraudulent use of identity or credit.
- Fraud resolution support – Assists members in addressing issues that arise in relation to credit monitoring and fraud detection.

**All BCBS subscribers have access to these services.**

**It is free!**

**Employees who enroll in the Experian program  
who are victims of identity theft  
should also call Experian (888) 397-3742  
and they will add a level of monitoring services.**
