ON THE COVER: The oldest of 3 remaining Nantucket lightships, LV-112 is the largest lightship ever built. She served on station south of Nantucket Island near the dangerous Nantucket Shoals from 1936 to 1975. From 1975 to 1984, LV-112 was docked in Nantucket harbor as a museum. In 1989, this lightship was designated a National Historic Landmark. Today, she can be found moored in East Boston, MA as a centerpiece for a lightship museum.

Keep Nantucket Clean

Ways you can help preserve the island’s beauty while you refresh and enjoy our beautiful island.

BYO(W)B: Bring Your Own Water Bottle

Effective June 1, 2020, Nantucket will enforce a ban on single-use plastics including single-use bottled water. Bottled water will no longer be sold in sizes smaller than one liter (34 ounces) in island groceries, delis, and cafes. Nantucket is implementing these pro-active measures to support your use of your own water bottle around town, on the bike paths and at the beaches:

• Nantucket’s tap water is safe and reliable and tastes great! Wannacomet Water Company produces an annual water quality report to document the cleanliness and safety of Nantucket’s public water supply.

• The Town has created a list of water bottle refilling stations in the downtown area and along the island’s bike paths at this QR code.
Water/Recycling/Transportation

- Water refills are also available at Jetties, Children’s, Dionis, and Surfside Beaches.

In 2019, the Town and ReMain Nantucket will partner to distribute free refillable water bottles to use at water refilling stations and the taps in your home or rental. Pick one up while supplies last!

The Island Recycles
Recycling cardboard, aluminum, tin, glass and plastics is mandatory on Nantucket. Help keep the island clean and beautiful by following the recycling guidelines for Nantucket found at this QR Code.

Cell Phone Recharging Stations
The Town of Nantucket provides cell phone recharging stations at the Visitor Services Office at 25 Federal Street and at the concession stands at Jetties, Children’s, and Surfside Beaches.

Tours of the Island

Nantucket Island is a unique and historic place. Founded by English settlers in 1659 and incorporated in 1671, this island 26 miles out to sea has its own distinct identity from its architecture, rolling moors and scenic ponds. There are more than 40 miles of bike paths, many walking trails and over 50 miles of beaches. There are many unique shops, restaurants, museums and galleries to visit while here on Nantucket Island. The Grey Lady has a strong maritime past and that continues today with its bustling harbor. Nantucket was also known as the Whaling Capital of the World from 1800-to 1840. There are over 800-buildings that date back to the Civil War era. Three lighthouses around the island help guide mariners.

NLA Policies
Reservations: Early advance reservations will ensure confirmed accommodations, especially in the summer season. Many properties have strict reservation cancellation policies. Please review the policy before booking your room. Even on the busiest weekends, spontaneous travelers may be able to book a last minute Nantucket getaway. There is no need to bring a car to the island for short term stays. Most lodging establishments are within easy walking distance of beaches, restaurants, museums, churches, galleries and shops; some further out of town provide a shuttle service for their guests. In addition, the year-round Nantucket Regional Transit Authority has numerous shuttle buses to take you to the more remote areas of the Island, beaches and shopping.

Storm Policy: If the ferries operate we expect guests to arrive as planned whether or not they planned to arrive by ferry or plane. Once ferry service resumes, guests are expected to arrive for the balance of their reservation. Travel delays, missed connections from airports, medical or any other travel issues will not merit credits or refunds. These potential unforeseen problems are best addressed with travel insurance which we highly recommend. Always ascertain cancellation and refund policies when making room reservations.

Minimum Stay: Many establishments have minimum stay requirements, particularly for weekends and peak season. However, some do accept
one night reservations in advance, and it is often possible to obtain lodging on short notice. The Nantucket Visitor Services and Information Bureau at 25 Federal Street, (508) 228-0925, maintains a listing of daily availability on their website: www.visitnantucketisland.org

**Deposits and Refunds:** Because of Nantucket’s unique location, most visitors make precise travel plans and confirm their lodging in advance. If a confirmed reservation is canceled, it may not be possible to re-book the room. Therefore, our lodging members subscribe to a strict and businesslike deposit and cancellation policy similar to the following: For three nights or less, full pre-payment may be required at the time of booking. For longer stays, a 50% deposit may be required at the time of booking, with balance due on arrival. Deposits (less 10% services fee) will usually be refunded if notice of cancellation is received at least 15 days before expected arrival. If a cancellation is received less than 15 days prior to arrival, deposits, (less 10% service fee) may be refunded if the room is re-booked for the entire canceled period.

**NLA Group Reservation Policy:** Nantucket lodging establishments often receive requests for group reservations such as weddings, reunions, anniversary celebrations, and groups traveling together. For group reservations, Nantucket’s lodging establishments generally subscribe to a common practice of advance group reservations being guaranteed and prepaid. In order to provide assurance to both the lodging facilities and the parties that book large numbers of rooms. The following policies apply: Full payment is required with 30-day notice to cancel, with a 10% cancellation fee. In the event that there is a shortening or cancellation of a reservation less than 30 days from the arrival date, the advance payment may be non-refundable. Please verify the specific policies at your choice of establishment for those that may pertain to your group reservation. It is common for group reservations to be subject to a service charge. Many properties have a stricter policy and it is recommended that you review the policy before initiating your booking.

**Nantucket Visitor Services provides free information on lodging, but does not act as a booking agent.** It serves as a daily referral service for available rooms. In June, July and August, an advanced one-night availability list is maintained as well as for holidays and special event weekend/s.

**Camping is prohibited on Nantucket. A fine of not more than $200 will be levied against persons pitching a tent for the purpose of sleeping, or sleeping in the open or in any vehicle.**
