RE: In-Town Bikepath Routes

At the meeting of May 22, 1991 at 7:30 PM, the Board of Public Works approved the initiation of in-town bikepath routes as described by Mr. Wiese at the meeting. The initiation work would consist of signage and work on preliminary routes, including the grading and hardening of a roadside bikepath along the Mill Hill Park. Please coordinate with Mr. Wiese in order to proceed with this work.
