Dear Director Perry:

The Town of Nantucket requests authorization to spend in excess of appropriations so as to be able to complete repairs to the town pier in a timely manner, the pier sustained substantial damage during the blizzard on January 26 and 27, 2015. If left in its current condition the pier poses a substantial threat to public health, safety and property. The Board of Selectmen at their meeting on February 25, 2015 voted to declare an emergency and authorize spending in excess of appropriations under G.L. c.44, §31.

Please contact me if you need additional information regarding this request. Thank you for your consideration.

Respectfully,
